

WILDLIFE PREMIUM RODENT FOOD

The Wildlife series is a selection of premium pet food for the pets that are closest to us in our everyday life. Wildlife offers value for money and ensures a good and healthy life for the pet.

Wildlife Premium Rodent Food is made from 100 per cent fresh natural ingredients with no added colours and preservatives. It is developed under supervision of vets and top breeders.

- Wildlife Premium Rodent Food is suitable for all types of rodents such as rabbits, hamsters, guinea pigs etc.
- Wildlife Premium Rodent Food contains a high level of grass which provides a healthy and balanced nutrition
- The selected high quality ingredients help maintaining a healthy and shiny fur

Ingredients: Grass, barley, sunflower meal, wheat bran, oats, root crops, minerals, vitamins, amino acid and soya oil.

During development of Wildlife Premium Rodent Food the focus has been to select ingredients, which add a maximum to the well-being of all types of rodents. The table provides an overview of the content.
